PRAYERS PLEASE

Believers in Christ

May this be the year believers in Christ realize the importance and the benefit of studying the Word of God in a church with a Pastor who is teaching the truth from God's perspective.

May this be the year believers in Christ the value of studying the Word of God DAILY.

PASTOR RORY CLARK

Sixteen Years as an Ordained Pastor

January 8, 2024

It's a pleasure to celebrate my sixteenth year as an ordained Pastor tomorrow. I've been teaching the Word of God for 25 years. It all began at my dining room table in 1999.

I'm happy to be your Pastor. We've taken the journey through the false teaching of Roman Catholicism and Systematic Theology. We have arrived at the simplicity and purity of devotion to Christ and His Word.

We pray the Lord continues to shape the messages from this pulpit that are an accurate reflection of His glorious Person, His magnificent essence, His lucid thinking communicated in the Word of God, His impeccable work, His unconditional love, His forgiveness, and His grace.

Help us Lord to be a perfect reflection of You.

MATCHING GRANT

What are the results?

In the week before the close of last year, an anonymous donor offered a matching grant if we could raise \$10,000.

Congratulations!

Your generosity raised \$22,000. The donor upped the contribution to \$15,500, so we enter the new year with half of our annual budget in the bank.

Your generosity was shocking, and not because I think you are not generous. It was a loud acknowledgement that you value this ministry. That is quite edifying to me. I echo Paul's sentiments in Philippians, Chapter 4, Verse 17

PHILIPPIANS 4:17

Not that I seek the gift itself, but I seek for the profit which increases to your account.

Thank you could never be enough. Yet thank you from the bottom of my heart. The Lord will bless your generosity to His church.
