If you know of other companies that contribute to church ministries, please let us know. We can use the support. Ever little bit helps.

BELIEVE!

The new gospel message pamphlet is on the website in PDF version so you can begin sending to friends. It's the easy way to evangelize.

The physical version is in as well! Thank you for funding this! If you're in the resident congregation please take a few copies and get them into the hands of your friends you suspect are unbelievers.
